Executive director of the
Latvian association of water
supply and sewerage companies
Mr. Sandis Dejus

Dear Sandis!

The Ukrainian Association of Water Supply and Sewerage Enterprises Ukrvodokanalekologiya expresses its sincere gratitude to you for your support during such a difficult time for our country.

The Association confirms that the funds in the amount of 5000.00 (five thousand) euros were received on the current account of the Association (UA043052990000026007045010028) by payment order №1 dated 06.04.2022.

The funds received by the Association were used for the organization of transportation of humanitarian aid to enterprises members of the Association "Ukrvodokanalekologiya", victims of military aggression of the Russian Federation against Ukraine, namely:

1. Transportation of food, medicine for employees CE "Chernihivvodokanal";
2. Transportation of food, medicine, clothing, household chemicals for employees of CE "Kharkivvodokanal";
3. Transportation of generators for CE "Chernihivvodokanal";
4. Transportation of the necessary equipment for the water supply system of Borodyanka;
5. Transportation of generators to CE "Kharkivvodokanal".

This assistance has greatly helped businesses to provide the population with drinking water and begin rebuilding damaged infrastructure.

President of the
Association
“Ukrvodokanalekolohiia”
